DDI 5277-82
25 June 1982

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: Robert M. Gates
Deputy Director for Intelligence

SUBJECT: DDI Activity Report, 21 June - 25 June 1982

DCI/DDCI-Assigned Tasks

A joint OGI/OSWR/DIA response to a DCI request on the impact of the Falklands on global high-technology transfers is nearly completed.

OGI responded to a request to the DCI from Judge Clark to declassify and disseminate a recent study on the divergence in financial capital costs.

OSWR is continuing work on the DDCI request to provide Commerce a case history of microelectronics technology transfers which led to an improvement in a Soviet weapons system.

SOVA, with OGI participation, prepared a memo for the DCI that examined the implications of alternative US policies regarding grain sales to the USSR.

Of Special Interest This Week

ALA briefed Ambassador Kirkpatrick on several Central and West African countries prior to her departure for Africa.

25X1

NESA held a seminar on Lebanon and Israel with former Ambassador Dean Brown of the Middle East Institute.

NESA prepared two typescripts in response to questions posed by Vice President Bush. One was on UNIFIL-PLO relations; the other dealt with why Israel exceeded the 40 kilometer limit.

OGI and DDO personnel briefed Judge Webster, Director, FBI, and Mr. Mullen, Acting Administrator, DEA, on CIA's role in the collection and analysis of narcotics intelligence.

SECRET
